

It's a tough world out there, and even tougher when your hearing starts to go. At Rexton, we won't let hearing loss hold you back. Good hearing is critical: From getting the job done, to getting home safely and being there for the people who count on you, we know what's at stake. That's why we work hard to deliver proven hearing technology in the most reliable way. We understand what reliability means in real life, and make practical, easy-to-use products you can count on. Our hearing aids have been getting the job done since 1955, so whatever life throws at you, you can rely on Rexton.

**RELIABLE HEARING
IN ANY SITUATION**

BICORE TECHNOLOGY

BiCore technology separates and processes speech and background noise to provide the best speech clarity while maintaining the background around you – which results in a rich, vibrant, natural listening experience.

For further convenience, these hearing aids offer direct streaming for both iOS and ASHA-compatible Android smartphones.

BICORE C R-LI AND C R-LI T

The new rechargeable BiCore hearing aids feature Rexton Assist, our AI powered hearing solution and Motion sensors, for ultimate convenience and hearing aid performance. BiCore hearing aids are also available with T-coils for clear hearing over telephones.

*BiCore C R-Li
and C R-Li T*

Available colors

TRAVEL CHARGER INCLUDED

This small, portable charger provides up to 3 charges on the go – without connecting to a power outlet.

MOTIONCORE TECHNOLOGY

Our M-Core hearing aids use proven MotionCore technology that automatically recognizes and adapts to different hearing situations. This ensures users can hear speech clearly and get the most reliable impression of their environment.
